

Hendon School Vision Statement

Re: Parent Feedback

Dear Hendon Parents / Caregivers,

The Hendon School Community has this year been reviewing our school values and vision. After consultation with staff, parents and students, our new school values as we enter 2021 are; ***Kindness, Respect and Trust.***

Following on from this, is a school vision statement to sit alongside these new school values. A school's vision statement is a public representation of who we are as a school and our shared beliefs.

By clicking on the link below, you will be taken to a survey and presented with three vision statements for your consideration. ***Please select the statement that you feel best represents who we are as a school community,*** and that you believe compliments our new values.
